“ Nearly 60 years ago I came to know Betty and Dale through Marlins family. Will always cherish the pleasantries and time being around them. Two of the most kind and gentle souls I've ever met. Now they shall spend eternity with our father together. Thank you both for being a part of our lives. My comforts to their family and friends.

“ Please say this is not true. I have known Betty forever. We had lots of good times together.

I remember when Betty and Gen Myllykangas, work in our ASCS OFFICE, up by the old Hi-Ho restaurant, on the edge of Litchfield, They were our two measuring girls, working on Aerial maps.

Another memory, was our Kingston Snowmobile members, went on a jaunt, to Bottineau, ND, to see Ken's uncles, on their ranch. Great to experience real live oil wells on that farm.

That was a rough, grueling ride on snowmobiles, until we ran out of snow in Valley City, ND, forcing us to haul them the rest of the way. We went through the Turtle Mountains, and across the International Peace Garden, on the Canadian border.

The last time I saw Betty, was at the Cokato Corn Carnival.

I will always remember Betty, and our great conversations. There are so many great memories of Betty and Dale.
