Bradley Jay Kusler, the son of Ray Edward and Arlean Lorraine (Liedle) Kusler, was born August 8, 1960, in Britton South Dakota. The family moved to Cokato, Minnesota where Brad attended Dassel-Cokato High School and graduated in 1978. Upon graduation Brad attended the Red Wing Technical School. He then served his country in the United States Air Force from January 1980 to August 1983.

Brad was employed by First District Association in Litchfield, Minnesota as a Chief Boiler Engineer for 25 years.

He enjoyed hunting and ice fishing. Always looked forward to the fishing trips to Red Lake and Lake of the Woods. Also, on his days off work, you could find him walking his dog, Max, whom he loved dearly. Brad loved his family with his whole heart and spending time with them was his ideal day. He loved golfing with family and the innocent competitions that came with, knowing that his daughter would likely beat him. He always enjoyed watching Kyle and Kaity participate in sporting events; He was so proud of his kids. Brad will be lovingly remembered for his crazy sense of humor and for the joy and happiness he brought into the lives of those who had the privilege to know and love him.

In October of 2022, Brad was diagnosed with Stage IV metastatic lung cancer. Brad vowed to do anything it took to battle his sickness. He went to treatment after treatment in attempts to slow the growth of the cancer. Unfortunately, the disease was growing faster than his body could handle. “ I always looked forward to the annual summer visit from my Cokato cousins! Lots of fun, laughs and adventures. The 2 summers I stayed with my Minnesota Kusler family to detassel corn will forever be part of some of my best memories ever. Brad was like the big brother I never had. I can picture him and Grandma Kusler together laughing and smiling.

“ Brad was my brother in law for years. I loved hanging with him(always so funny), worked with me (he was a very hard worker), fished with him, camped with he and my sister. He had a pinto wagon and we were going to Cochiti lake in NM to go fishing, every few miles we had to stop and put oil in the thing. He would just laugh and get out and put more into it. We would keep going. When he came back from the Philippines we worked for my Dad together and he was always entertaining us. Joking around about Minnesota beating the Cowboy's. He would get my brother fired up! I loved him from the minute I met him. He was a lot of fun!!

“ I spent many summer vacations with cousin Brad and his family. My birthday is July 8, his August 8 of the same year. That made us cool. He was light and love and warmth. And always a joke, no matter how bad things seemed. Heaven has gained an angel. Condolences to all of Brads family. Much love, Beth Kusler Olivieri
