“ Dearest Geri, Words cannot express the the sadness in our hearts, when we learned of Darrel's passing. The moment we met him at the auction that day, both Dan, and I knew, we had not only purchased his Beautiful home, but knew we also wanted to stay in contact with both of you. You both have a gift for making people feel like they've known you forever! He's no longer suffering, and I know this sounds inadequate at this time, but you know he'll be watching over you. Our prayers are with you, Geri, at this difficult time. You are in our thoughts and hearts.
