“ I am so sorry to hear of Edith's passing. She has been an Icon in the community and at the Lake. RIP Edith. I Still remember one evening she was sitting outside on her chair and I walked over to say hi and see how she was doing. She said she was waiting for her bible study friends to pick her up and asked how she looked. I said well Edith you have green paint on your face what have you been doing. She said well I thought I got it all off LOL. She had it in her hair and on her face. I helped her get cleaned up and off to her Church Group she went. She never did tell me what she was painting.

“ My Deepest sympathy to all of the Ailie family on the Loss of Edith, she always wore a smile. In the summer she would ring my doorbell and have relatives with her to tour our house as she use to live there years ago.Blessed be her Memory

“ We are sorry to miss Edie's funeral where we could talk to all of you personally. Your Mom was a very special lady. In the early 90s I was teaching adult ESL in the evening and had many students. Some of them were from Finland so I called Edie and asked if she would help with the class. She taught the Finnish students and I worked with the others. Everyone appreciated her help! Many other good memories also. Sorry for your loss but happy for her that she is with her heavenly father.
