“ My sympathy goes out to Brian and the entire Larson family. Thank you for sharing your Mom with us this past year at St. Gertrudes. It was such a pleasure having her here. She always brightened my day with her kind words and her beautiful smile. We all loved her and miss her. Today would have been her 102nd birthday celebration here on earth but God had other plans, she is sharing it now with Harriet and other family members that have gone before her.
