“ I am so sorry and am keeping everyone in my prayers. Janell was a wonderful friend, I remember staying overnight with her several times, I had a great time, I remember we picked the potato bugs off of the potato plants, than we dropped them into a can of gas, that was fun, she also had rabbits that we fed and 2 horses that we rode around the farm, one was very spirited and one was older and very gentle, One halloween we went to an old house and her parents had set it up so that it seemed as if a ghost was flying around the room, it was sooo cool, one of the best halloweens ever!! She was always kind to her brother, Paul and sister, Cindy. I remember that thry were all such hard workers, and she and Paul would compete to see who could carry the fullest/heaviest water buckets! Paul eon, but man was she strong, way stronger than me! That's how I remember Janell, as a very strong person, a very caring person, Thanks Janell, for adding to my most cherished childhood memories, You will always be remembered!
