“ So sorry for your loss. I truly know the measure of your pain. We last visited at a wedding reception a few years ago. My best memories are from his very early years, his big sister Carol did not want him messing with her stuff, so she would tell him it was mine and then he wouldn't touch it. So Happy he didn't hold it against me. Dennis sorry for your loss also it hurts when we lose a loved one no matter what the relationship. May your memories of his love and actions bring you all peace. Audre Johnson

“ So sorry to hear about Kevin! He left a legacy and impact on so many people. There was never a project, house, or business that he could not build without people appreciating everything he did and the quality of his workmanship and efforts. Sending prayers of comfort to Carolyn and his entire family. I know he will be missed by so many! May all your memories bring comfort today and in the days ahead!

“ *Tender mercies to the Compton, Lohmann and Benner family. Kevin truly was one of a kind and will be dearly missed by many. We were lucky to have him build not only our office for our business but our family farm. Many memories are being made there and his artistry will live on in Bellingham for many many years. xo*
