“ Linda was a beautiful person inside and out! I have many great memories of her from the lake when I was a kid. She always made the time to come see me when I came back home to visit. She was really a savior when my mom broke her hip. We couldn't have gotten through it without all her help. She will be greatly missed!
Love you always Linda

“ I had the privilege of working with Linda at HTI where she was one of the Production Planners. She always had a fabulous smile and was very nice. I was the Administration Assistant and remember one time she was upset because the printer wasn't printing out the orders and she had already called IT but they didn't come. I went over to it and fixed it, then told her go ahead and try it and it worked. She told me I'm so happy because now I can get the orders out and we won't have a backlog. We also had some fun Christmas parties and a baby shower for Tom Nearly whose wife, Stacey, was pregnant with their first child. Great memories of Linda and now she's in heaven with her mother-in-law, Jean Carlson that I also knew too.
