“ Lloyd was a good man, and a great friend to me and my family. I have many fond memories of Lloyd. I learned to water ski behind his boat. I also learned how to catch and vaccinate chickens from him (OK -- that may not be the fondest of memories, but if you had to catch chickens, Lloyd was the guy you wanted to be working for). I cannot think of Lloyd without recalling something that makes me smile. That's a pretty good legacy. Rest well, my friend.-- Jeff Lindquist
