“*Julie, my thoughts and prayers are with you and the girls. Please know we are thinking of you as you face the trying days ahead. Mark was a good man and will be missed. He was so kind and caring. I'm going to miss him at the family reunion. Not very long ago we were at another family funeral, (I think you had to work that day) and when it was time to walk in Mark stepped in line right by me. He sat with me through the funeral and also stuck with me when it was time to leave. I felt very proud to have him as an escort that day. In fact, I sat between him and Pat. I guess I felt like "one of the group"...Cousin Nancy*
