“ I first met beautiful Marlys at one of our Dakota Boys and Girls Ranch luncheons in Arizona. She made beautiful quilts for the boys and girls at the Ranch, they were always thrilled to receive them. She always made them for our luncheons to share as door prizes, the folks that received that door prize absolutely loved them. Marlys became a very good friend I would always make sure whenever I was in Arizona I would call her for dinner or lunch. I will miss our visits and her calls. My thoughts are prayers to her family. “ Worked with Marlys at 3M. So enjoyed visits with her and have been on the receiving end of her wonderful baked goods, but especially her HUGS! Such a friendly, caring woman who loved to share her sewing talent by making quilts and those special little girl's dresses out of pillow cases. I was sure glad she made use of all those I dropped off at her house. Will miss her smile and sharp wit, but SO fortunate to have known her all these years. May God bless your rest until we meet again, Marlys. Our sympathy to family. Please know she was loved by many and will be missed by not just family.
