“ My wife and I became neighbors to Marvis when we bought a lot on the shores of
Big Swan Lake in 2001. He was a great neighbor; always ready to lend a helping
hand, and to lend out tools I needed to finish our new log home.. We will always
remember his sense of humor and his great smile.

“ I have such wonderful memories, of Marvis, as well as all
the other Anderson families.

It was a Subday treat, when I was younger, to attend all the
ball games in Kingston, and all the away games, to watch
Marcus play ball, for the Kingston baseball ⚾ team, even going to watch hint,
when Kingston went to the State Tournament, in Springfield.

It is memories like these, that will never be forgotten. The Kingston Baseball ⚾
Team, brought the entire community together.
