“ Hi family, You don't know me, but I cleaned Melvin's house for quite some time. I just heard today that he passed away (2-5-19). I hope you get this. I have enjoyed getting to know him and cleaning for him. I only wish I would have known sooner so I could come to the services. He will be missed. He was a kind man. He had shared some of his life with me, about being in service and doing a lot as being a commander. Busy job! And that he was busy with construction and stuff like that. He was always wanting to send home grapes with me. I guess he just couldn't eat all of them. He was very good hearted in helping his neighbors watching over their property. My condolences to all of you. Please email this to let me know you received this note. Thank-you. Deb <http://www.tributes.com/images/gift/gift-images/75-memorialday-flag.png>
