

## Michael Hurley

March 5, 1962 - June 3, 2025

Micheal Hurley, 63, passed away at his home on June 4th.

Mike was known for never acting his age. He was a big kid in all the best ways- funny, curious and always up to something. He had a gift for making people laugh, whether with a goofy grin, a terrible pun or a well-timed joke he probably already told you 3 times.

He'll be remembered for his humor, his big heart and the joy he brought to everyone lucky enough to of known him.

A celebration of life will be held on July 26th at 1pm at Spring Lake Park in Dassel.
