

Michael Craig Wolfe

August 1, 1943 - March 4, 2026

Michael Craig Wolfe, of Delano, passed on March 4, 2026. He was born August 1, 1943, in Minneapolis, MN, to Rene and Vivian (Krause) Wolfe. He grew up in south Minneapolis, just off Nokomis Parkway, attending Roosevelt High School. After high school, he attended Dunwoody Trade School in the automotive field. Mike married his high school sweetheart, Nancy Carroll, on August 3, 1968.

Michael was an avid sportsman, and he had so many good friends who shared those hobbies. He loved hunting, fishing, trapping and shooting at Delano Sportsmen Gun Club. In his later years, he and his lifelong friends would shoot during the week and then go to breakfast together, the last time being the week before he passed. For years, he would make an annual hunting trip with his close friends to Eston, Saskatchewan, Canada.

He left the automotive trade at age of 42 and became an avid antique dealer.

All his family and friends will miss him dearly, but it's the 'kids' who were in his life that will miss him the most. Nieces, nephews, godchildren and friends children, Mike was a kid at heart. He watched them and helped them grow up...he even danced at quite a few of their weddings.

He had endless stories and they were the epitome of Michael's character. He

was a happy and loving man. He would tell everyone, even the girls at the grocery store who asked how he was; he would say “old, fat and ugly” with a big smile. Nothing could be further from the truth.

Mike was truly loved?

Mike and Joe were great buds. Hunting in Saskatchewan Canada and shooting at the Delano Gun Club were only a couple of their activities together. What a great guy. He will be so dearly missed by everyone. Joe and Ellen Levernier

I accidentally left son Christopher (Chris) out of the past post ! He was just one of so many Nancy called her kids “ always referring to their kids, whether it was God Children., siblings of Godchildren or nieces or nephews they were all their kids and they all were loved like biological kids.
Mike always had stories the boys would listen to at the hunting cabin I think what was said there stayed there. A place all the boys and dads loved!!! Thanks for the Memories Mike! Nancy too!
