“ Was fortunate to have Ryan as a friend in high school years and a couple years out of HS. Worked at the Green Giant with him, attended many concerts and traveled to CO, CA and NY on road trips. Enjoyed every minute with this fine friend.

“ We met "Bob" at Bailey's in Winsted while bartending. He was one of the nicest guys a person could know and could always make you smile and laugh. We are sorry for your loss and know that you are in our thoughts.

“ Ryan was great, a very fun friend!! I knew Ryan since I was a kid - when I moved to Dassel back in 2011 I think it shocked him, every time I saw him he said "Kathe, I can't believe your here!" with a smile. Definitely a funny and very smart man I would find impossible to forget! I'm sad for family and friends who will miss this very special person. I will too!
