“ My deepest condolences go out to all of you! I pray that you all find some kind of strength to help heal each other. Timmy was a part of my family's life for many years! I too watched him grow from a boy to a young man.He was one of the "trailer park" boys. :) My heart aches. May his soul rest in peace.

“ Timmy had the kind of personality that was so easy to love. He delighted in making others laugh, teaching our dog to skateboard, helping out in any way that he could, and just being a part of things....oh yeah and pizza rolls! (yeah, I heard you chuckle about that Timmy! :)) He loved to brag about his siblings (both his natural ones and his adopted ones through Brittni). We will forever cherish and hold dear the love and joy he brought into our home, hearts, and family. We're all grateful for the abundance of memories of him that we have to look back on. The Warden and Spike family will have our compassion and prayers for lifetime.

“ I remember the day I met Timmy. This little goofy kid with part of his face skinned from a bike wipeout. He had this infectious laugh and would always be smiling from ear to ear. He would be the first to crack a joke and do anything to make your day. I knew the minute I met him that he was one of the good ones. He was so full of life and compassion and one of the most giving and loving people I had ever met. The raw love he had for his friends, family and siblings and how much he idolized his parents were so admirable. Especially his mom. He always raved about how amazing she was. Even through the hardship he was having the last week he was still laughing and joking. The world will never be the same without him. I pray that his family and friends find peace and cherish this amazing person. I know I will have cherished his friendship for the rest of my life.

“ I'm deeply sorry to hear about Timmy. His Grandma Barb and Uncle Dwayne are our neighbors. He used to visit us as he and Megan became friends when they were 16. Long before that, though, Lucinda & Elicia came to visit our older kids and sometimes ride the horses. Who'd have thought that 20 years later we'd be saying goodbye to him. I grieve for Lucinda and whole the family. Many prayers for all.
