“*Leroy was an amazing person. When all our kids were small, he was in so much pain from a back injury. He was still a joyful person and laughed easily, even when it caused more pain. He and Ava and my husband and I used to play pinochle into the wee hours of the morning at least a couple weekends a month. Leroy and Ava took us in when we moved to Minnesota even though he had been hurt while we were traveling there. Wonderful, loving people. I live a long ways away now, but still think about them often. LeRoy's passing is a big loss for all left here, but a wonderful addition to heaven. One day, we'll be there with him. Love to all the family. My prayers are with you?*

Love, Janene
